**INVITATION TO ORACLE 19-c INTERNATIONAL CERTIFICATION TRAINING (OCA)**

Refer to the above heading. The Dar Es Salaam Institute of Technology (DIT), through its consultancy bureau (ICB), announce and would like to invite you to the capacity building on Oracle 9c. The training is scheduled to commence on 13<sup>th</sup> to 20<sup>th</sup> of Feb. 2023

As a candidate, you will be coached to hands on Labs on how to effectively administer and secure organizational databases & transactions using Oracle DBMS and shall be illegible to OCA exam certification.

The program includes three mutual training modules, such as SQL fundamentals, SQL expert and Administration-I. The fee structure is as shown in the following table

S/NO	MODULE	TRAINING FEE (TZS)
1.	SQL-fundamentals & expert	<b>650,000</b>
2.	Administration -I	

The training program is a complete package for in-service personnel and the outcome is recommended.

You can register for this program using contacts details on the address above.

Looking forward to meet you.

Regards

Lott Champuku (Training Coordinator)
